

# CORPORATE DIARIES & NOTEBOOKS

2018/19

## WHY DEBRETT'S NOTEBOOKS?

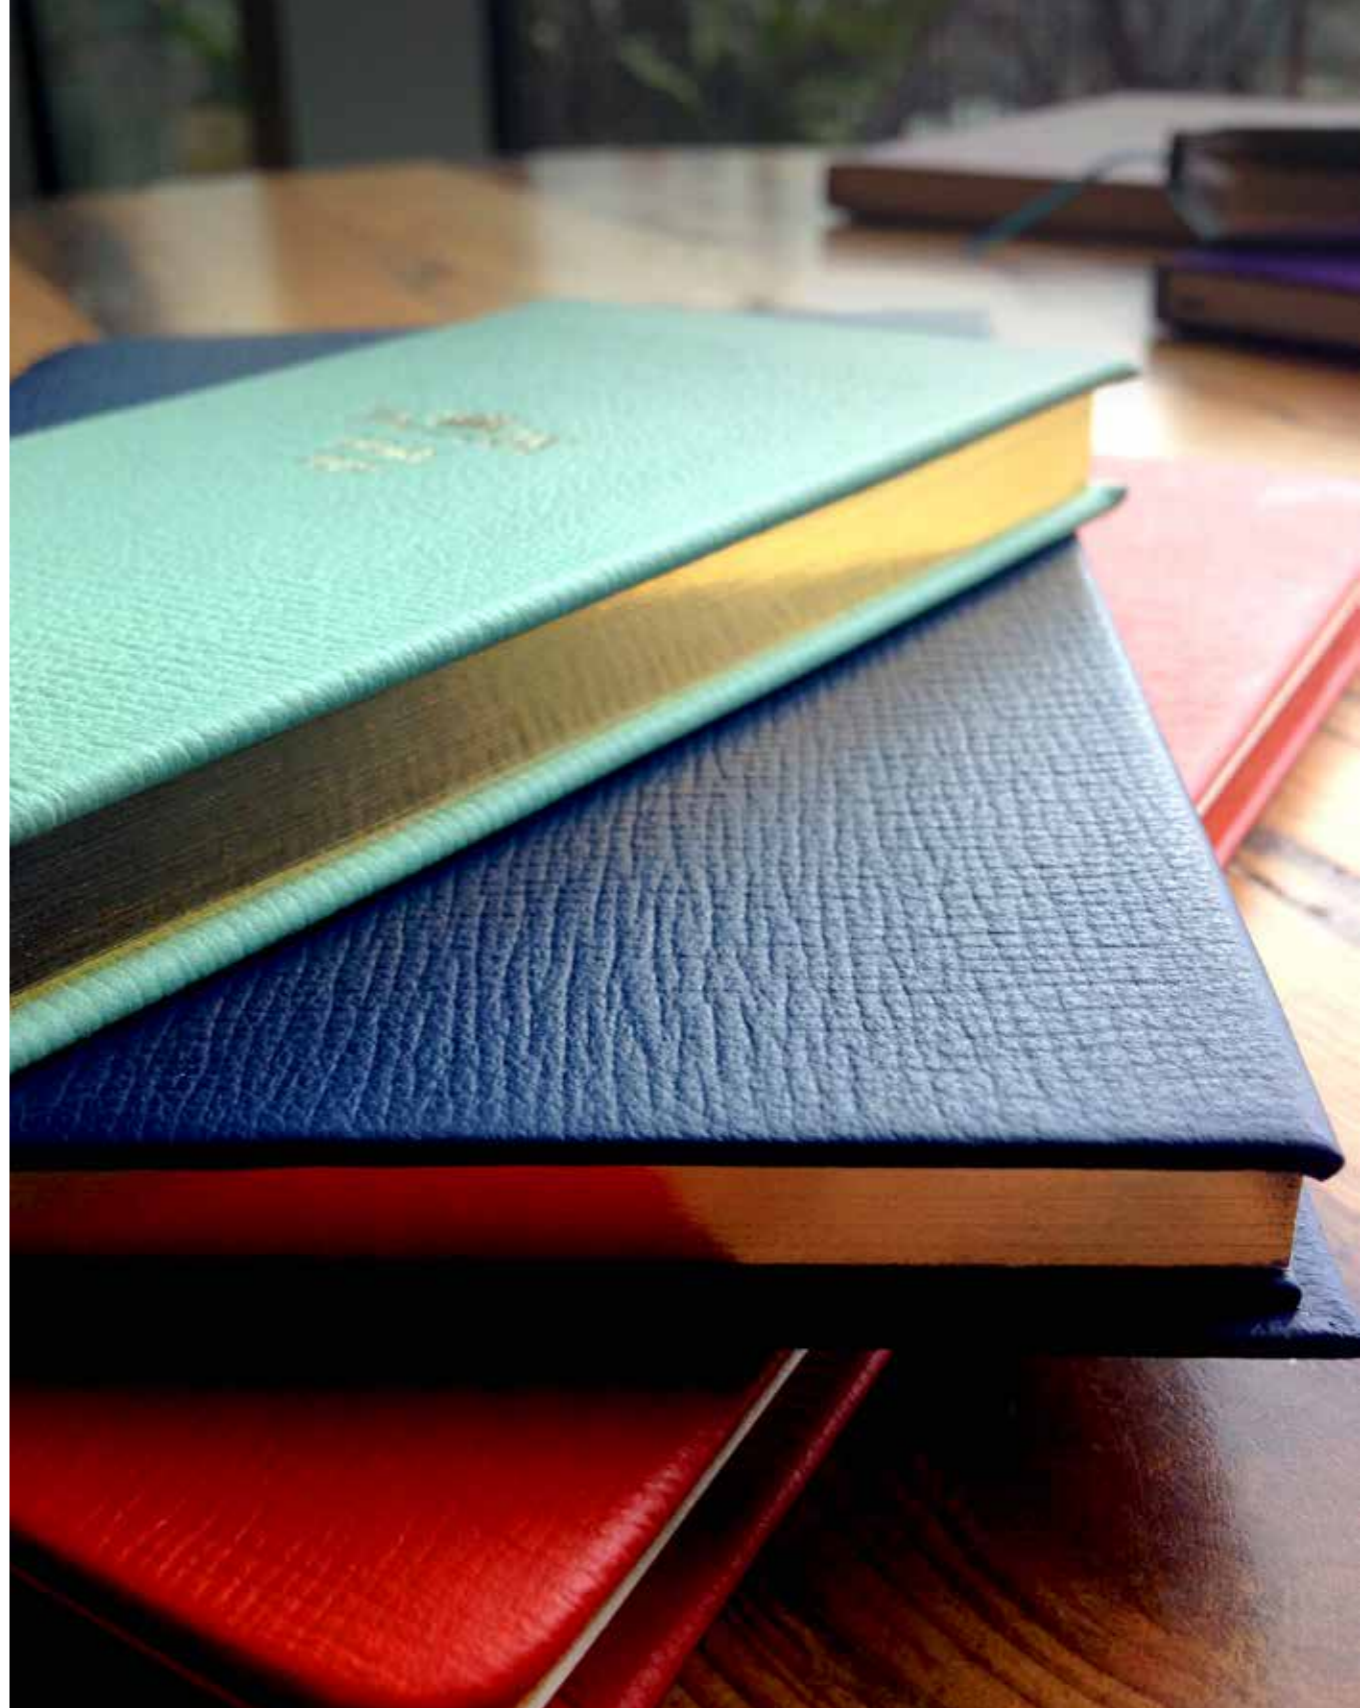

Founded in 1769, DebreTT's has long been synonymous with etiquette, style and luxury. Our range of diaries and notebooks are printed and bound in the UK and come in calfskin leather, linen or faux leather.

All diaries and notebooks can be customised with your company's logo and colours, along with up to four pages of your own editorial content. A range of indexing ribbons, endpapers and gold or silver cover foiling are also available, creating notebooks or diaries that are unmistakably yours.

Our design team will work with you throughout the process to ensure the finest level of detail and to deliver a product perfect for employees or clients. From order to delivery within the UK typically takes 8 weeks. The minimum order quantity is 250 notebooks or diaries.
